

Looking for the King!

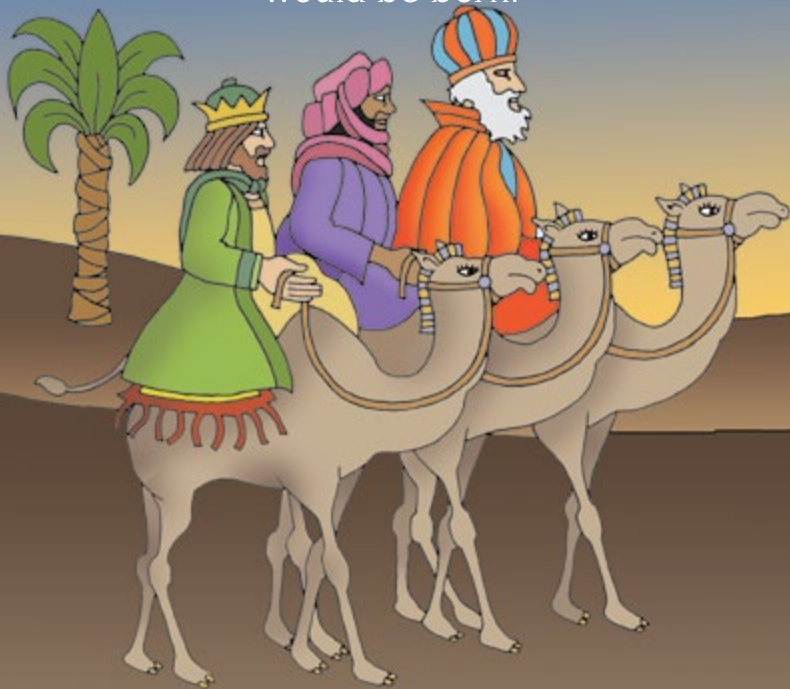

2000 years ago some wise men followed a star. It would show them where a special king was to be born. On the way, they stopped at King Herod's palace in Jerusalem.

The wise men asked, "Where is the baby who is going to be the new king? We saw his star in the east. We have come to worship him." Herod was jealous. He didn't want a NEW king. He wanted to be the only king!

The wise men continued to follow the star. It led them to a town called Bethlehem. This was the place where the Bible said God's special king would be born.

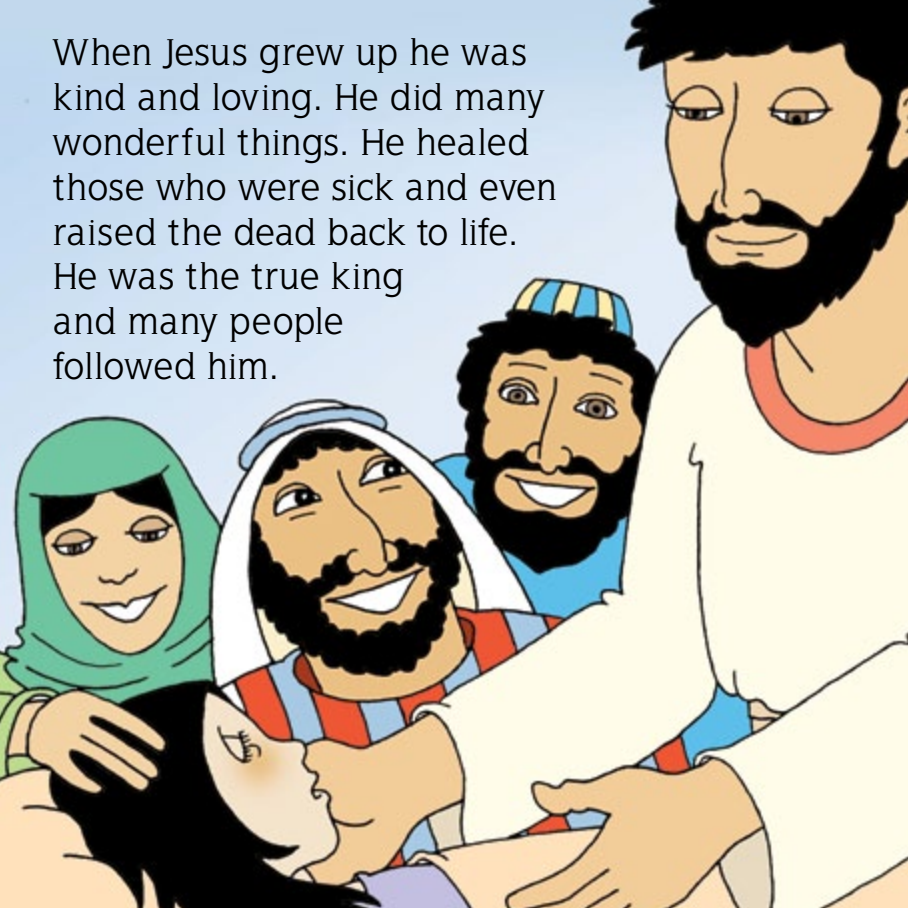

The star stopped over the house where a baby had been born. His name was 'Jesus', which means 'Saviour' because he had come to save the world.

The wise men were full of joy. They bowed down and worshipped Jesus and gave him gifts of gold, frankincense and myrrh.

The wise men had found the king they were looking for!

When Jesus grew up he was kind and loving. He did many wonderful things. He healed those who were sick and even raised the dead back to life. He was the true king and many people followed him.

Jesus loved the world so much
that he died on a cross and came
alive again. Today, he is still the
true King of the world.

He wants you to follow him and
be his friend.

He has promised to love you and
take special care of you in all that
you do.
