

# Looking for the King!

2000 years ago some wise men followed a star. They were looking for a baby king, but they did not know his name. They stopped at King Herod's palace in Jerusalem.

The wise men asked, "Where is the baby who was born to be king? We saw his star in the east. We have come to worship him." This made the king pretty cross. He didn't want a NEW baby king. He wanted to be the only king!

The wise men followed the star. It led them to a town called Bethlehem. The scriptures said that's where God's special king would be born. He would be the one who would save God's people.

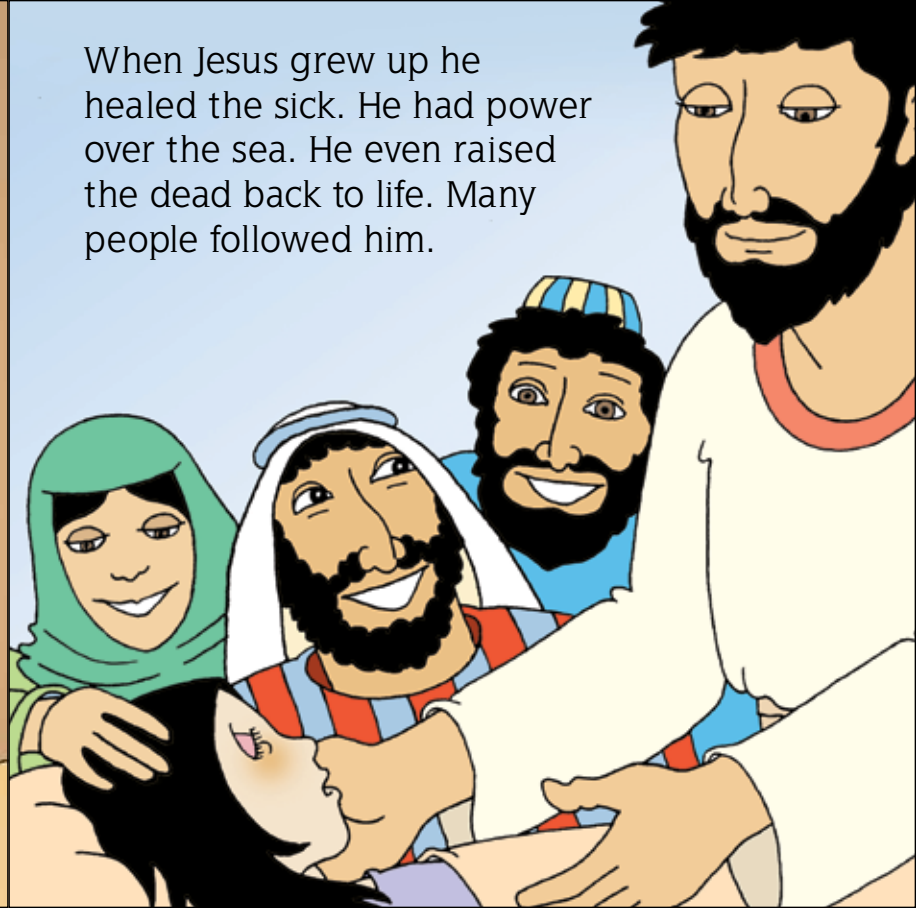

The star shone over the place where a baby was born. The baby was called Jesus which means 'Saviour'.

The wise men were full of joy. They bowed down and worshipped Jesus and gave him gifts of gold, frankincense, and myrrh. The wise men had found the king they were looking for!

When Jesus grew up he healed the sick. He had power over the sea. He even raised the dead back to life. Many people followed him.

The Bible says that  
Jesus is God's special king and  
deserves everyone's worship.  
God has given each one of us the  
choice to worship him as  
our king today.
